Free private sessions - choose your own counselor

Medgar Evers College is providing students with free teletherapy sessions on META

Your mental health matters, especially while in school. Talking to a licensed counselor can help you cope with emotional turmoil including feelings of isolation, depression, stress, and anxiety. **Medgar Evers College will cover the costs for a limited number of counseling sessions with META providers on a first-come, first-served basis.**

Download the free app today: meta.app/users/

Note: Selecting too many filters may prevent providers from displaying.

Use the advanced filters to show providers offering school-sponsored sessions.
